Grades 7-12

Students in grades 7-12 will be assigned specific school supply items by course. On the first day of classes, each teacher will provide the required supply items in the course syllabus. For the first few days of school, students are encouraged to bring general school supply items with them – notebooks, folders, pens & pencils, highlighters, colored pencils, calculator, etc.

Distance Learning

If Harvest Preparatory School moves to a distance learning plan at any point during the school year due to a national health crisis or weather-related issue, it is expected that students will have a device (ie. laptop) to use at home that is accompanied with Internet capabilities. If there is more than one student in the home, each student should have access to their own device. The school is not responsible to provide technology or access to technology/Internet for home use.
